

## **Associate Vicar of All Saints Crowborough**

All Saints is a large conservative evangelical Anglican church with a united staff team. This is an exciting time to be joining the staff as together with the church family we seek to reach out with the Gospel of Jesus and see each other built up in faith. We are currently embarking on a new vision document for the next three years of our church life.

We are praying for a new Associate Vicar to share leadership responsibility with the Vicar for All Saints church (a resolution parish) who

- is a man with a clear evangelical faith and is a team player.
- loves Jesus and is passionate about others coming to know him and be disciplined.
- will head up the evangelistic life and ministry of the church.
- will take responsibility for the evening congregation at All Saints and develop its ministry.
- has the energy and capacity to serve in a busy parish in partnership with other local churches, the Sussex Gospel Partnership and the Diocese of Chichester.

This post is ideal for someone coming out of Curacy.

Crowborough is on the edge of the Ashdown Forest and is a fabulous place to live with easy access to the coast and regular trains into London. We have excellent local schools including our own church school. The house is a spacious five bedroomed modern home very near to All Saints Church.

**Closing Date:** 8<sup>th</sup> November 2021

**Interview:** 2<sup>nd</sup> December 2021

Application forms from [Suzanne.Hall@allsaintscrowborough.org](mailto:Suzanne.Hall@allsaintscrowborough.org)

For an informal exploration of the role please contact the Vicar, Stephen Rees, on 01892 652081
