Finance update

Back in January, we shared that we were budgeting for a £21,000 deficit this year, and we remain broadly on track with that projection. We're incredibly thankful for the generous one-off gifts and regular giving we've received throughout the year. But more than the figures, we want to say thank you to everyone who gives their time, energy and resources to All Saints. Your generosity and willingness to serve make such a difference to the life of our church. If you don't currently give financially, perhaps now is a good time to pray and consider whether you could start. Every contribution, however small, helps us continue the work God has called us to do. If you'd like to start giving, please do come and have a chat with me. You'll also find further information on the welcome desk. Thank you for being part of the All Saints family. Rachael.
